

Home EDUCATOR DAY

- Suggested activities

CAN YOU FIND...?

Look carefully at each enclosure to spot STEM in action! Make notes on where you found each example and what you saw.

An example of engineering for enrichment?

.....

An example of a critically endangered animal?

.....

An example of a species specific behaviour?

.....

An enclosure with a water feature covering at least 5% of land space?

.....

An example of engineering in process? Make sure you go to say hello to our wallabies...

.....

An example of an animal feed you have seen today? Was it for a carnivore, herbivore, or omnivore?

.....

BONUS FIND

An example of technology, perhaps a camera? You may need to look up

.....

Show your answers to a member of our team in a blue uniform to earn yourself a DZS sticker
